

NOTICE is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Deeded in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-bootee terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Koochagor Bar.	70,000	North, the Pangachoe river, the Barweckhaloe Khal, and the Jewdhooa river.—East, the Balissur river.—West, the Bholah river.—South, the Cheega, Barweckhaloe, and Kumarkhaloe Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheega, Barweckhaloe, and Kumarkhaloe Khals.—East, the Balissur river.—South, the Dhamir river joining the Bhola with the Balissur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

Soonderbuns, Commissioner's Office, Allipore, the 6th Sept. 1838.

G. T. SHAKESPEAR, Commissioner.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1833.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.	Per Company's Rupee for Advances made at.....	Bengal.
	Ditto.....	Ditto..... Madras.
	Ditto.....	Ditto..... Bombay.
	Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, or the Parties interested, or endorsed to their order; and persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in payment or delivery of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; and authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

NOTICE is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Deceased in the year 1837, can be obtained on the 24th July, 1837, on application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed Area.	Boundaries.	Remarks.
Khawleah Bar-risaul.	20,000	North, the Pangachee river, the Barweekhalee Khal, and the Jewdhooa river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barweekhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
	20,000	North, the Cheepa, Barweekhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhanir river joining the Bhola with the Balissur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

Extract from a letter from Captain Hobson, of H. M.'s Ship *Rattlesnake*, dated at Ceylon, on the 3d September, 1838.

The Mails and Public Despatches that were sent from Calcutta by the Ship "Emma," in May last, have been transhipped to the "Rattlesnake," by the order of the Agent for Government, Mr. Huskisson. The "Emma" put in here, some time ago, with her Crew in a state of mutiny and likely to be detained in this Port a considerable time. It is said she has on board a most valuable Cargo. It might be proper to acquaint our friends and the public, especially in Calcutta, how their letters have been disposed of. I don't believe any public notice will be given in Ceylon.

NOTICE is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowleah Barisaul.	70,000	North, the Pangnohee river, the Barweekhalee Khul, and the Jewdhooa river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barweekhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondrop timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barweekhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhamir river joining the Bholah with the Balissur river.—West, the Bholah.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

XXVIII. And it is hereby enacted, in modification of Section LXIV. Regulation X. of 1819, and in addition thereto, that when there may be no direct proof of the unauthorized removal of Salt from any golah or place

XXX. And it is hereby enacted, that when the Officer holding proceeding in any case *ex parte* as above provided shall refer the case to the Judge of any City or Zillah, in consequence of the amount of fine being such as the said Officer is not competent finally to adjudge, the Judge of the City or Zillah to whom such case may be referred shall issue such orders and institute such proceedings as are authorized by Sections CXI and CXIII of Regulation X. of 1819, of the Bengal Code, in like manner as if the offenders were sent over with the case or were present to be heard in their defence, and whenever any fine may be adjudged by the Zillah or City Judge the same may be levied on the application of the Salt Agent or Superintendent of Salt Chokies under the rules in force for the execution of the decrees of Civil Courts.

XXXI. And it is hereby enacted, in modification of the Rule contained in Section CXII, whereby the power of final adjudication by Salt Agents or Superintendents of Chokies in cases of the contravention of the laws enacted for the protection of the Salt Revenue is restricted to cases in which the quantity of Salt proposed to be confiscated shall not exceed twenty maunds, or the fine adjudicated shall not exceed 50 Rupees, that the judgment of any Salt Agent or Superintendent of Chokies, or of any other Officer vested by Government with like jurisdiction in such cases, shall be final in all cases wherein the Salt adjudged to be confiscated shall not exceed eighty maunds, and the fine imposed upon the defendant or any one of several defendants shall not exceed 400 Rupees. Provided however that every such judgment may under Section CXVII. of the said Regulation be brought by petition before the Board of Customs, Salt and Opium, and be reversed or amended by that authority.

XXXIII. And it is hereby enacted, that the penalties of this Act shall take effect only within the tract of Country guarded by Salt Chokies in the manner prescribed in Section XXXVI. of Regulation X. 1819, of the Bengal Code, and within which the transportation of Salt not belonging to Government without a *Ruwan* or Special Pass from the Board of Customs, Salt and Opium, is not lawful; and it is hereby declared that such tract shall not extend within the Delta of the Ganges and Megna Rivers beyond the line of the reach of the tides in the Rivers communicating with the Bay of Bengal as taken at spring tides in the dry season, nor eastward of the Megna, north of the River Goomtee, nor westward of the River Hooghly, beyond a line drawn from a point on that River distant one mile from the northern end of the town of Nyasurni, and to the north thereof to a like point distant one mile to the north of the town of Gutraul, and thence to a like point distant one mile to the north of the town of Midnapore,

NOTICE is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowleeah Bar-risaul.	70,000	North, the Pangachee river, the Barweekhalee Khal, and the J-wdhoora river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barweekhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barweekhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhamir river joining the Bholah with the Balissur river.—West, the Bholah.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

H. T. PRINSEP, *Secy. to the Govt.*

## FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

*s. d.*

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Ordered, that the Act be promulgated for general information.

Act No. XXIV. of 1838.

I. It is hereby enacted, that Section III. of Act XIX. of 1836, together with any other provisions of

that Act which prescribe or imply that the Capital Stock of the Bank of Bengal shall not exceed 75 Lakhs of Rupees, shall from this day be repealed.

II. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council whenever he shall see fit from time to time by an Order to be notified in the *Calcutta Gazette*, to authorize the Capital Stock of the said Bank to be increased, and to make such order and direction for the opening of subscriptions towards such increase of Capital as to him may seem fit, giving due notice to the Proprietors of the said Bank for the time being and allowing to them a period of not less than eighteen months to fill up such subscription.

III. And it is hereby enacted, that whenever such increase of Capital Stock of the Bank of Bengal shall be ordered by the Governor General of India in Council, the Proprietors entitled to share therein, shall not be debarred of the right to subscribe for the new Stock in the proportion of the shares they may be legally holding by reason of any limit to the quantity of Stock which a single Proprietor may hold that may be imposed by the Provisions of the Charter of the Bank, or by any Clause or Provision contained in Act No. XIX. of 1836.

**N**OTICE is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowleah Bar-risaul.	70,000	North, the Pangachee river, the Barweekhalee Khals, and the Jewdhoora river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barweekhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barweekhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhamir river joining the Bholah with the Balissur river.—West, the Bholah.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 24th September 1838, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

Act No. XXIV. of 1838.

I. It is hereby enacted, that Section III. of Act XIX. of 1836, together with any other provisions of that Act which prescribe or imply that the Capital Stock of the Bank of Bengal shall not exceed 75 Lakhs of Rupees, shall from this day be repealed.

II. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council whenever he shall see fit from time to time by an Order to be notified in the *Calcutta Gazette*, to authorize the Capital Stock of the said Bank to be increased, and to make such order and direction for the opening of subscriptions towards such increase of Capital as to him may seem fit, giving due notice to the Proprietors of the said Bank for the time being and allowing to them a period of not less than eighteen months to fill up such subscription.

III. And it is hereby enacted, that whenever such increase of Capital Stock of the Bank of Bengal shall be ordered by the Governor General of India in Council, the Proprietors entitled to share therein shall not be debarred of the right to subscribe for the said Stock in the proportion of the shares they may be legally holding by reason of any limit to the quantity of Stock which a single Proprietor may hold that may be imposed by the Provisions of the Charter of the Bank, or by any Clause or Provision contained in Act No. XIX. of 1836.

IV. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council, when he shall direct an increase to be made of the Capital Stock of the Bank of Bengal, to prescribe that the subscriptions shall be made upon each share respectively, in any given proportion to the amount of Stock represented by such share, and after subscription made at any time within the period of notice prescribed in Section II. of this Act, to permit the amount subscribed on account of any share or shares to be paid up and annexed to the Capital Stock of the Bank in such manner and at such dates as may be deemed most convenient and proper, and likewise to prescribe that the amount of new Capital that may not be subscribed for by Proprietors within the period of eighteen months so specified, shall be sold by Auction by an Officer of the Bank for the benefit of the said Bank, on some early date, after the close of such period, and that the proceeds of such sale shall be at the disposal of the Proprietors of the Bank by Resolution duly passed at their General Meetings, any thing in the existing Charter of the said Bank regarding the method of taking the subscriptions of new Capital to the contrary notwithstanding.

V. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council at the time of ordering any increase of the Capital Stock of the Bank of Bengal to reserve the portion of such increase that may belong to Government by reason of its share of the Capital of the said Bank, and to fix any date within the period of eighteen months above specified, as that before which it shall be finally declared whether the Government will take the share of new Stock to which it is so entitled or will refuse the same, and in case of refusal by Government to take its share of new Stock, such Stock shall not be sold on account of the Proprietors at large as above provided for Stock not subscribed for by other Proprietors, but the amount to which the Government may be so entitled shall not be raised, and if the Government shall determine to subscribe for the share of new Capital to which it is entitled, it shall be lawful for the Governor General of India in Council either to retain the same or to order the sale of such new Stock or any portion thereof on account of Government in such manner and at such times as to him may seem fit.
